

PLEASE SUPPORT ME
AS I PLAY

THE GREAT
PROTEIN
CHALLENGE

FEB
2019

This February I am PLAYING
The Great Protein Challenge
and will be attempting to eat less
than 10 grams of protein for one day.

Please consider making a PLEDGE to help me reach my fundraising
goal. Or you can even sign up to PLAY yourself and join everyone
from across Australia raising awareness and supporting people living
with rare genetic metabolic (protein) disorders.

My player name is

and you can find me at thegreatproteinchallenge.com.au/all-players
